

# NATIVE PLANTS SCAVENGER HUNT

Find each plant and check it off your scavenger hunt list. To see a description and picture of each plant visit [btarboretum.org/native-plants](http://btarboretum.org/native-plants).

## DESERT MARIGOLD

Clue: I'm as yellow as the sun up high. In the desert, I reach for the sky!

## PALO VERDE TREE

Clue: My bark is green, and my leaves are small. In the desert, I stand tall.

## JOJOBA PLANT

Clue: My leaves are green, my seeds are gold. In the desert, I never get old!

## AGAVE PLANT

Clue: My leaves are sharp, my nectar is sweet. For animals, I'm a tasty treat.

## SAGUARO CACTUS

Clue: I'm the giant with arms, looking regal and wise. Find me if you can, I'm a desert surprise!

## OCOTILLO

Clue: With thorny stems and red, fiery tips, I stand tall in the desert and look quite hip.

## PRICKLY PEAR CACTUS

Clue: My paddles are flat, and my fruit is sweet. If you find me, it's a prickly treat!

## CREOSOTE BUSH

Clue: I smell like the rain, but I thrive in the heat. My leaves are tiny, and I'm quite neat.

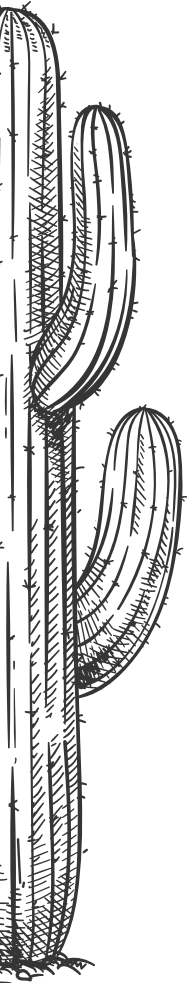

## BARREL CACTUS

Clue: With spines for armor, I thrive in the sun. I am a green water tank for everyone.

## IRONWOOD TREE

Clue: My wood is hard as iron, and my leaves are green. In the spring, my purple flowers can be seen.
